Federal law specifies a motor vehicle is subject to odometer disclosure when it is self-propelled, less than 10 years old, and has a gross vehicle weight of 16,000 pounds or less. United States Code of Federal Regulations, Title 49, Part 580, provides the rules relative to the Truth in Mileage Act, which dictates when use of a power of attorney is permissible in conjunction with odometer disclosure. Further, federal law requires the odometer disclosure for used vehicles to be made on a certificate of title or a secure power of attorney. Federal law specifies use of a power of attorney is strictly limited to when the title is lost or held by a lienholder, and the only acceptable power of attorney is a secure power of attorney issued by the state. The *Power of Attorney for Transfer of Ownership to a Motor Vehicle* (Form VTR-271-A) is the only acceptable secure power of attorney issued by the State of Texas.

Form VTR-271-A can only be used when the title is lost or held by a lienholder. Proper use of Form VTR-271-A consists of completing Part A when transferring a motor vehicle. **Parts B and C may only be used by a licensed motor vehicle dealer.** If the motor vehicle is transferred by a licensed motor vehicle dealer and the certificate of title is still held by a lienholder, Parts B and C must be completed. If the certificate of title is not held by a lienholder, Parts B and C cannot be used; instead, a certified copy of title (or duplicate title) must be obtained prior to subsequent transfer, and the subsequent purchaser is required to acknowledge the odometer on the certified copy of title (or duplicate title).

If the transferor (owner listed on the title who is selling, donating, gifting, trading, etc.) or transferee (person/entity taking ownership) is unable to complete this form, only a general power of attorney may be used to complete this form for the transferor or transferee. A limited power of attorney cannot be used to complete this form on someone else's behalf. If the transferee or transferor is not an individual, but rather an entity or trust, an agent of that entity or a trustee must complete this form.

Unauthorized printing or reproduction of this document is prohibited. Photocopies may be made only as a completed document for record-keeping purposes by the parties named herein.

## Instructions

Part A is required to be completed by both the transferor (owner listed on the title who is selling, donating, gifting, trading, etc.) and the transferee (person/entity taking ownership) if the title is lost or held by a lienholder. **All signatures must be original signatures. It is strongly advised the duplicate power of attorney also contain original signatures.**

- Upon obtaining the certificate of title or certified copy of title, the transferee in Part A must complete the "assignment of title" and odometer disclosure on the certificate of title or certified copy of title. Any transferee, other than a licensed motor vehicle dealer, is then required to obtain a certificate of title in the name of the transferee supported by this power of attorney.

Part B may only be used by a licensed motor vehicle dealer. Further, Part B may only be used if the motor vehicle is transferred while the certificate of title is held by a lienholder. **Part B cannot be used if the title is lost; instead, a certified copy of title (or duplicate title) must be obtained.** This form may be used to obtain a certified copy of title. In Part B, the transferee (purchaser) acknowledges the odometer disclosed by the transferor (licensed motor vehicle dealer), and grants power of attorney to the transferor to complete the odometer disclosure in the "first reassignment" on the certificate of title as reflected in Part B and to sign on behalf of the transferee (purchaser). **Part B may only be used to appoint the same licensed motor vehicle dealer listed as appointed in Part A.**

- Upon securing the certificate of title, the licensed motor vehicle dealer must complete the "assignment of title" (as recorded in Part A) and "first reassignment" (as recorded in Part B).

Part C must be completed by the licensed motor vehicle dealer if both Parts A and B are completed after the licensed motor vehicle dealer has transferred the assignment (from Part A) and the reassignment (from Part B) to the certificate of title. **Part C must not be completed if Part B is not used.**

## Returning this Power of Attorney

Federal law requires this power of attorney be returned to the issuing state. This can be accomplished as follows:

- When the vehicle is sold to a Texas retail purchaser, the original power of attorney with original signatures must accompany the purchaser's application for Texas title. Dealers are required to maintain the duplicate power of attorney and a copy of the front and back of the certificate of title for five years in accordance with 49 C.F.R. §580.8. Other individuals or entities are not subject to a retention requirement but are encouraged to maintain the duplicate power of attorney and a copy of the front and back of the certificate of title.
- When the vehicle is sold to any dealer (Texas or out of state) or an out of state purchaser, the original power of attorney with original signatures must accompany the title transaction. The duplicate power of attorney and a copy of the front and back of the certificate of title shall be returned by the individual or entity granted power of attorney in Part A (and Part B, if applicable) to:
